Dear Joe,

We just wanted to let you know how pleased we are with our clean ducts.... though a bit mortified by the amount of "stuff" removed. Just wish we'd done this much sooner! It is now definitely added to our list of things to do for ourselves and our home on a regular basis!

We are also very glad we decided on Kwik Klean to do the work for us. The service was prompt, professional, efficient, and very clean and Keith and Dave were great! We plan to ask for them by name next time... we were thrilled with the way they treated us - and our home!

Your air quality specialists and technicians left no doubts as to the effectiveness of our duct cleaning by showing us before and after live camera shots & video of our ducts and what they removed.

Your company and employees are the best and will be highly recommended by us to friends and family!

Thanks so much! We really feel like we're breathing cleaner now!

Sincerely,
